

**NORTHWESTERN HIGH SCHOOL BAND  
THE PURPLE REGIMENT  
2011-2012  
FINANCIAL AID APPLICATION**

Thank you for inquiring regarding financial assistance for the Northwestern Purple Regiment. The total financial obligation for the each member of the marching band is \$500.00. This covers expenses such as custom-arrange music, color guard equipment, band summer uniform, percussion accessories, registration fees, and some transportation related expenses.

Financial assistance will be made available to eligible parents and students who are willing to do as much as possible to help the band raise money. Financial aid will be made available as a result of everyone in the band working to raise funds for both the scholarship money and general band budgetary needs. Those receiving financial assistance must be willing to work the fund raising projects that the band provides and repay a portion of the financial aid through fundraising efforts. Specific details of this arrangement will be made available upon awarding of the assistance amount.

It is the policy of the Northwestern Bands that no child is denied the experience of participating in band because of financial issues. For those willing to work, there is always help available!

*Please fill out the bottom portion, detach and return to Mr. Wells*
