The Rock Hill Christmas Parade will be back on **Friday, December 3, 2021 at 6:30 PM**. The logistic information below may help you more fully enjoy the parade. Additional information is at cityofrockhill.com/parade.

Parade Route: The parade will travel its traditional route: Begins at Oakland Ave. and Stewart Ave., proceeds down Oakland Ave., turns right onto White St., left through the parking lot next to Wells Fargo, left onto Main St. and up Main St., ending at Fountain Park.

Related Street Closings:

- Oakland Ave. from Cherry Rd. to Stewart Ave. will be closed to general traffic beginning at 2 PM for parade staging.
- The parade route will begin closing at 6 PM and will reopen when the parade has safely passed.
- These streets will be closed during and following the parade for disbanding:
 - Elizabeth Ave. between Black St. and White St.
 - Main St. between Elizabeth Ave. and Confederate Ave.
 - Reid St. between White St. and Main St.
- On-street parking along the parade route and disbanding areas will be unavailable on Friday.
- After the parade, the Elizabeth Ave. exit of the Fountain Park parking deck will be open to exit.
- Additional road closings may be necessary due to the ChristmasVille festival.

Available Parade Parking Includes:

- Black St. parking deck and surface lot.
- City Hall parking lot.
- White St. parking lot with access from Dave Lyle Blvd. to Main St., or Charlotte Ave. to White St. from upper entrance prior to 6 PM. The upper White St. access will not be accessible once the parade route closes.
- Fountain Park Place parking deck from Charlotte Ave. and White St., or Reid St. and Main St.

New Use My Ride to Track the Parade's Progress:

This year you can track the parade on the My Ride mobile app. One bus icon will show the start of the parade, and the other will show the Santa float at the end. Watch the map, and you'll see the parade move along. Three easy steps: Download the My Ride app from the App Store; open the app and click on "Map"; click on the "12/3 Parade Route" and look for the bus icons!
